

## **ADVICE ON HOW TO MARK MATCH OFFICIALS CORRECTLY**

Overall control and decision making, marks out of 100.

The mark must reflect the referee's overall level of control, accuracy of decision making and management of and communication with players. When deciding on a mark consideration should be given to such aspects of the referee's performance as: impartiality, confidence, fitness, positioning, signalling, use of advantage, handling of major incidents.

A mark between 91 and 100 would be regarded as excellent. A mark between 71 and 80 would represent the standard expected.
